### Term Dates 2013

**Term 2:** 15 April to 28 June - 2.30pm dismissal  
**Term 3:** 15 July to 20 September  
**Term 4:** 7 October to 19 December

### Calendar Dates

- **Wednesday 26th June:** Parent Interviews - Pupil free day  
- **Friday 28th June:** Music Assembly 11.30am

### JSC Meetings

- **Thursday 20th June**

**Unwanted Entertainment Fundraising Books.**  
Recently the fundraiser “Entertainment” book was sent home to each family to help raise funds for the new Science Centre. If you do not wish to purchase the book can we please ask that it be returned to the office by the end of the week. - Thank you for your co-operation.

---

**SCIENCE CENTRE**

The plans for the new Science Centre have gone to tender and we anticipate that, subject to a satisfactory tender being received, work should commence in late July.

---

**SCIENCE PLANNING**

We have commenced the process of determining a range of initiatives to be incorporated into our science program. Geoff Warren visited exemplary schools in South Australia the week before last; Megan Smith and Dylan Thomas visited a southeastern Victorian school on Monday of this week and we are in contact with a group of Queensland schools who have taken interesting initiatives in this area of the curriculum.

---

**SCIENCE APPOINTMENT**

After Fair Work Australia signs off on the new DEECD (Education Department) & AEU (union) Agreement we will be advertising a Leading Teacher position to commence next year. This appointee will be responsible, in consultation with teaching staff, for the science program. Classroom teachers will ‘co-teach’ with the specialist science teacher; this will provide valuable assistance in delivering a program of excellence for our children. Science will assume a more prominent place within the curriculum and the provision of a science centre will allow a more diverse and in-depth approach to the teaching and learning of science. Clifton Hill PS has provided very strong science teaching relative to the vast majority of state primary schools yet has been restricted in scope because of lack of space in which to store, resource and deliver a high quality science program. I thank teachers for their strong support for science over many years and particularly to Di Nevile who has mentored, modelled and supported our staff in the science field over such a lengthy period.

STORAGE SHED
A new storage shed will be built on the southern side of the bike shed at the conclusion of the Science Centre building project. The shipping container will be removed from the school site. The double gates into the Organ factory will be widened (permanently) to provide easier access to the site.

MANDARIN ROOM
We will be converting the two teacher preparation areas in the Organ Factory (ground floor on right as you enter the main building) into a teaching space for Mandarin classes. This will free up the library which has been used as a temporary teaching space for 10 hours per week and has to some degree curtailed the flexibility needed for library use.

MUSIC ASSEMBLY
On Friday the 28th of June, the last day of term, we will be having a music assembly in the Multi Purpose Room.

We will begin at 11.30am.
There will be performances from the Choir, Grade 6 singers, African Drummers, String Ensemble and various grade groups.

All parents are welcome to attend.

IMPORTANT

Following a significant increase in the number of reported incidents in the broader area (Coburg, Brunswick, Northcote, Carlton, Fitzroy, Fitzroy North, Collingwood etc…) we have just been visited by police who have given the following advice:

• Heightened vigilance by staff on yard duty. A number of offenders have been attempting to talk, through the fences of schools, with young children.

• Reinforce with children that they should never approach someone who is talking to them through the window of a car.

• We are advised to lock all vehicles and ensure nothing of value is left in sight within the vehicle; laptops, expensive coats etc…

• There is a ‘spike’ in drug addicts in our immediate vicinity; vigilance around discarded needles is necessary; children should be reminded NEVER to pick up a needle; they should tell an adult immediately.

• Police will be significantly increasing patrols in these areas over the next month.
WORKING BEE’S THIS TERM

A big thank you to all the parents who participated in a Working Bee this term.

So much was accomplished. The cleaning of gutters, drains, tidying the school grounds, painting of the pillars and one cannot forget the laying out of the tanbark. An incredible effort from all the parents. This is what makes our school special having such a supportive and caring parental community.

Thank you to the parents of :-

LIBRARY NEWS

New titles

We have many new titles ready for student borrowing. We subscribe to a supplier who ensures monthly deliveries of high quality, new release fiction and picture story books. They are mostly published in Australia by Australian authors and many have Australian content.

We have also focused our purchasing on ‘topping up’ popular fiction series. Often books from our most popular series become lost or damaged and in some cases we need to buy double copies to meet borrower demand. Grade 3-6 students should keep an eye out for brand new copies of:

Samurai Kids
Inkheart, Inkspell and Inkdeath
Artemis Fowl (plus W.A.R.P. the first book in a new series by Eoin Colfer)
Tintin (assorted titles to complete the set)
The Phoenix Files
The Alex Rider series (plus Raven’s Gate the first book in a new series by Anthony Horowitz)
H.I.V.E by Mark Walden
Charlie Bone
For younger readers:
Forever Clover
Ella & Olivia
Violet Mackerel
Robert Irwin Dinosaur Hunter

New non-fiction titles have been purchased on some of our most sought after topics such as animal encyclopaedias, dinosaurs, sharks, baking, ghosts and the supernatural, speed machines, dogs and horses.

Premier’s Reading Challenge

Students have until the end of August to finalise their reading and online reading records, however, many have already completed the challenge. Indeed, some of our students have already logged one hundred books - what a wonderful achievement! The online system cannot record any more than one hundred books but feel free to collect a paper record from the library if you would like to continue to record your reading. Online lists need to be verified by library staff, and although this is done periodically, it will all be completed before the end of the challenge so there is no need to worry. If you have any PRC queries please contact Dana via email on corben.dana.l@edumail.vic.gov.au.

More news will follow next term about the Premier’s Reading Challenge and Book Week.

Run Melbourne

For those of you who are interested the Run Melbourne is on again this year. There is the 3km kids event on Saturday 20th July or there is also a 5km or 10 km run/walk on Sunday 21st July for everyone, not just the kids!

Lexie (Grade 5) & Harriet Dennis (Grade 2) and their families are running the 5km to raise money for the Cure for Life Foundation. They would love if you didn’t have a charity in mind to donate to this charity.

Please read below for information.

Hello Everyone.

We are doing Run Melbourne to raise funds for Cure for Life. They are trying to find a cure for brain cancer. Dad might even do it too! We are doing the 5km run/walk on July 21 and would love it if you wanted to come and do it with us. You can join Team Cure for Life too. I can tell you how to do that if you want to join. If you can’t run with us (or walk with mum!), perhaps you would consider making a donation. Our fundraising link is here http://runmelbourne.everydayhero.com.au/harriet_dennis

Love Lexie and Harriet Dennis

Cross Country

On Thursday 2nd May 60 students represented our school at the Carlton District Cross Country carnival. All students did exceptionally well on the day to complete the 3km and 2km track. Special congratulations must go to the following students who recently represented our School at the division event on June 12.

Lana Croker 14th
Demetrius Mousaferiadis 3rd
Sam Ackland Evans 1st
Cedric Gauder 6th

Harry Buttifant 5th
Lexie Dennis 9th
Josh Ward 1st

Thank you also to Mark Buttifant who has been training all students in the park on a Tuesday and Thursday morning. These results would not have been quite so extraordinary without the extra time and help he has put in.
LE 14 JUILLET – LA FÊTE NATIONALE FRANÇAISE

Why did the French choose this particular date for their National Day? Well, it was on this day in 1789, during the French Revolution, that the Bastille prison was taken over by the revolutionaries.

How do they celebrate in France? One of the largest celebrations on the day is the Military Parade down the Champs-Elysées in Paris. It is a national holiday, so many families take the opportunity to come together for a special meal.

What will you do to celebrate le 14 juillet this year? Eat a croissant. Make some crêpes. Dance the French CanCan. See a French film. Speak with a French accent all day. Speak French all day!

GRADE 3 FRENCH PORTFOLIOS

A reminder that all GRADE THREE students brought home their French Portfolios last Monday to do a PRESENTATION TO THEIR FAMILIES this week. I hope you enjoy sharing your child’s work with them. Please ensure that your child’s French book, Manila Folder and Parent Observation sheets are returned either to their classroom teacher or to the appropriate boxes in the French room by MONDAY 24th JUNE.

Please email me if you have any questions.

Merci, - Madame Gammon (gammon.sophie.s@edumail.vic.gov.au)

GRADE 4 FRENCH PORTFOLIOS

A reminder that all GRADE FOUR students brought home their French Portfolios last Friday 14th June to do a PRESENTATION TO THEIR FAMILIES this week. I hope you enjoy sharing your child’s work with them. Please ensure that your child’s French book, Manila Folder and Parent Observation sheets are returned either to their classroom teacher or to the appropriate boxes in the French room by THURSDAY 20th JUNE.

Please email me if you have any questions.

Bonnes vacances à tous!
A SLICE OF MANDARIN

NI HAO!!

It’s your friendly dragon, Xiao Long, and I’m excited to tell you today about a festival that’s all about ME!! Yes, indeed, Chinese people have a festival that’s all about dragons. Well, it may not be exactly about us, but at least we’re everywhere during that festival. I’m talking about the DRAGON BOAT FESTIVAL, which just happened last week. The Dragon Boat Festival is one of the biggest and most important Chinese holidays. And that’s because it’s about ME!!!

Okay, not only about me. Like all Chinese holidays, there’s a story to the Dragon Boat Festival and it goes like this:

Over 2,000 years ago, during a time when China was split into lots of small states that all fought with each other, a wise man and poet named Qu Yuan lived in the state of Chu. He warned his king that the neighbouring state of Qin was about to attack Chu, and that Chu needed to prepare itself. But the king did not listen to him, and sure enough, Qin attacked and conquered Chu. Qu Yuan was so unhappy that he drowned himself in the river.

The people of Chu honoured him by holding a boat race with the boats decorated as dragons, which is why this festival is called the Dragon Boat Festival. They also threw packs of rice in the river so the fish would not eat Qu Yuan’s body, and that’s the reason Chinese people eat 粽子 (zòng zi), sticky rice dumplings wrapped in bamboo leaves, for the Dragon Boat Festival.

Qu Yuan’s story is a bit sad so I like to think of the Dragon Boat Festival as a holiday that’s for dragons, like me, and has yummy rice dumplings for kids, like you! And speaking of holidays, are you travelling somewhere for the school holidays? I’m going to Taiwan for a couple of weeks to hang out with my dragon friends and family there. Should be fun, and I’ll show you some pictures next time.
Clifton Hill PS Fair 23rd November 2013 Fair Collection

Due to construction of the Science Building, there will be a change in collection of 2nd hand items for the school fair this year.

**We will still be collecting (new and pre loved)-**
- Books
- Clothes
- Toys
- Trash and Treasure

These are very popular stalls, which contribute a large amount to the income generated by the Fair. It is also a great opportunity to clean out your cupboards and shelves of items that you or the children have grown out of – or never really used or liked!

However - please don’t start just yet, as we would like you to hold onto them until 4th term. Our storage will be removed in order to start the Science Building - and if you start to pull out the toys now, you know they will be found, and become favourites all over again.

The exception to this will be **BOOKS**, which we will start to collect from the beginning of third term. The small signed blue wheelie bin will be at the base of the stairs near lost property.

**Walkers for Silent Auction Required**

Can you do...
- Gertrude St?
- Brunswick St?
- Johnston St?
- Preston?
- Northcote?
- Fairfield?
- Victoria Gardens?

Call us if you have anything between 1 to 3 hours to give Ros on 0423 055 100, or see Nia in the office 9489 8333

**Learn how to become a Professional Face Painter!**

Fancy yourself a glamorous makeup extraordinaire? Dawn Anderson will be running an in-depth face-painting workshop in early Term 3 just for you.

The workshop is free and the catch is that you simply put your valuable skills to practice at the School Fair. So, go for it. Let the world see your budding talents!

Did you know that Dawn first started volunteering at the Fair when her son was in Grade 1 (she’d never done face-painting before) and now her work is published in magazines all over the world – and it all started with our School Fair!

Interested? Then please email Dawn at dawnand101@gmail.com

Term 3 Winter Menu

The canteen is open at recess for purchases from the snack menu (on the reverse side of this page) and at lunch times until 1:45pm. Students should place lunch orders in the class baskets each morning at 9am. Students bringing late (orders received after 10.30am) or forgotten lunches will be given a lunch order at a cost charged to parents. Please assist this process by encouraging students to be responsible for putting their lunch in the basket.

Wholemeal/multigrain sandwiches and rolls are available each day.
All sandwiches and rolls are green foods. Toasted available upon request.

- We promote rubbish reduction, therefore where possible, we encourage students to provide their own plastic box for their lunch and stick the above information to the lid with sticky tape.
- Correct money should be provided when ordering.
- Students not providing their own plastic box or bag will need to include 20c for a bag, where this does not occur ordered items may need to be substituted.
Children With Type 1 Diabetes
- Are You Challenged by Your Child’s Diabetes?

Research into parenting children with type 1 diabetes.

The University of Queensland is conducting research into parenting children with type 1 diabetes. Parenting a child with diabetes presents many challenges (everything from the regular blood glucose monitoring and insulin intake, to more general parenting tasks). The aim of this study is to understand the factors that make the management of childhood diabetes particularly difficult, and to use this information to develop strategies that might assist parents in managing their child’s diabetes.

If you are a parent of a 2 to 10-year-old child with type 1 diabetes, we would love to hear from you!

By sharing your experiences (confidentially), you will be making a valuable contribution to the development of much-needed childhood diabetes management strategies for parents.

To complete the online survey, please log on to:
https://exp.psy.uq.edu.au/type1diabetes

For further information about the project or to request a survey to be posted to you, please email Aditi Lohan (aditi.lohan@uqconnect.edu.au) or phone Amy Mitchell (07 3365 7305) at the Parenting and Family Support Centre in the School of Psychology at the University of Queensland, St Lucia QLD 4072 (Fax: 07 3365 6724).
