Library News

Great new books from the Library - just a selection of the many new books we have.
Don’t forget that you can borrow before or after school, as well as at lunchtimes.
Saurus Street – entertaining new series for Grades 1-3, starring a range of dinosaurs getting in the way of the kids who live in Saurus Street.
Dirty Bertie series for a similar age-range. Dirty Bertie has some truly disgusting habits.

Some lovely new picture books:
That's mine! A little frog finds an egg and claims it, but he's in competition with the eagle, the lizard and the snake – until it lands on the elephant’s head.

Today we have no plans by Jane Godwin and Anna Walker will ring a bell with all the busy families out there. During the week everyone is rushing about, but come Sunday, ‘Today we have no plans’.

How to catch a monster has Lukas waiting every night for the very frightening monster, before he decides to catch it.

Queen Alice's palaces is a great rhyming story by Australians Juliette MacIver and Lucia Masciullo.

Sylvester & Arnold are two big tough crocs. Their story is one of rivalry and acceptance, after they meet Betty the Bad!

And the hilarious Yobbos do yoga gives a gentle send-up of a new age dad and his eventual acceptance of the new neighbours (the Yobbos).

And for older students: My life as an alphabet by Barry Jonsberg has 12 year old Candice Phee, hilariously honest and more than a little odd, trying to fix everyone's problems.

In Henry Hoey Hobson, the 12 year old hero arrives at his sixth school, Our Lady of Perpetual Succour, to discover he's the only boy in Year 7.

Serendipity Smith, most famous writer in the world, goes missing. Her daughter, Tuesday and her dog embark on a mission to find her. Finding Serendipity is a story of danger, adventure and friendship.

Asian Special Lunch Day

The canteen is offering a special lunch on Wednesday 19th June. Select from the lunch options below by ticking the box next to the option you prefer.

Please attach this order form to a paper bag with a payment of $7. Orders need to be returned to the canteen via classroom lunch baskets by Wednesday 12th June.

No orders will be accepted after this date. Children bringing late orders will have them returned and will need to bring lunch from home on this day. There will be no other lunch orders available on Wednesday 19th June.

Lee Lee will require assistance on this day from a number of parents from 9am-2pm. Please indicate on the form if you are able to help (four assistance days in the canteen exempts you from paying the buildings and grounds maintenance levy).

Asian Special Lunch Day - Wednesday 19th June

I am available to assist Lee Lee in the canteen for this Special Lunch Day.

Les Virelangues

Les virelangues (tongue twisters) are words or phrases which are repeated as quickly as possible as a test of the speaker’s ability to correctly pronounce a succession of similar sounds. For French students, les virelangues provide a way to practise phrases which are difficult even for native speakers.

Here are a few virelangues to try your hand at. If you get very good, maybe you could challenge your French teacher to un défi (a challenge)!

Cinq chiens chassent six chats.
Dans ta tente ta tante t’attend.
Je suis ce que je suis et si je suis ce que je suis, qu’est-ce que je suis ?
Le ver vert va vers le verre vert.
Lily lit le livre dans le lit.
Trois tortues têtus trottent en trottinette.

La Fête des Pères

En France, le 16 juin, c’est la Fête des Pères (Father’s day).
Ce jour-là, les papas sont à l’honneur!
On donne un cadeau ou une carte pour dire qu’on les aime.

DVDs

A reminder to parents of Grade 1 and 2 students that the French DVD should have come home in your child’s communication folder last week. If you are yet to receive it, please let Madame Klockenbring know (klockenbring.elsa.e@edumail.vic.gov.au).

Reminder

Just a little reminder to all students of French at CHPS - a few minutes each week watching the DVD for the story you are doing, or accessing one of the many apps and websites mentioned in previous newsletters will help you to maintain your French. Who knows - you may even learn a few new things!

Portfolios

Students in Grades 3 and 4 will be bringing home their portfolios in the next few weeks. Please keep an eye out and be prepared for some impressive presentations at home.

Other Grades will be doing their presentations in Term 3.
A SLICE OF MANDARIN

nǐ hǎo!

It’s your friendly dragon, xiǎo lóng. 😊 Do you know when the happiest day is for Chinese primary school children? 六月一日 liù yì yī rì (The first day of June). This day is called 六一儿童节 liù yī ér tóng jié (Chinese Children’s Day). Chinese primary school children have just celebrated the first day of June and they had a lot of fun. Schools organized activities such as drama, camping trips, movies, etc., and children also get gifts from school or parents.

At CHPS, a lot of children have learnt numbers counting from 1 to 100 in Mandarin, they may ask the question why 六月 liù yuè (June) is related to the number 六 liù (six). The answer to this is the naming of the month is related to numbers. For example, January is number one and December is number twelve, using this rule, you can name the month by adding “月 yuè (month)” to the number. For example, January is 一月 yī yuè, December would be 十二月 shí èr yuè. If you remember how to count numbers in mandarin, then you will be able to name the twelve months of the year easily, just by adding 月 yuè (month) after the number.

If you can complete the missing months in the following table and give it to your Mandarin teachers, you may get a surprise.

Editorial

It’s only May and we already have a small band of devoted walkers who have pounded the pavements of our neighbourhood collecting a cornucopia of items for our Silent Auction. This year, the CHPS community would like to openly recognise these businesses by alerting them to you now, so that you can offer your appreciation by supporting them.

Look out for the Shhh sign in their shop window.
In addition, New Balance is generously offering a 15% discount on presentation of the advert in this newsletter or on the CHPS Fair Facebook for all families with children at CHPS so please ensure you support them next time you require a new pair of sneakers for any member in your family.

We are incredibly lucky to have local businesses that faithfully support us year after year as well as a few new additions. Without the incredible support of Jellis Craig, Cavallini and Baker’s Delight proposed plans to build the new Science Wing would not be possible. In addition, this year, we have new members in our sponsorship family -- Tutti i Sapori, Clockwork Café and another newcomer to be announced shortly.

Thank you to all the sponsors for their generosity.

Who makes CHPS’ Grand Plans possible?

As mentioned, this year, Jellis Craig is one of CHPS’ Fair major sponsors. Jellis Craig was established in 1991 and in 2004; Craig Shearn formed Jellis Craig Clifton Hill. Since 2004, the office has established the Jellis Craig Inner North Network with offices in Kensington and Northcote. Of all Jellis Craig Clifton Hill’s business, 60% comes through referral and reappointments.

Cavallini, one of our other major sponsors, has been referred to as a little piece of Europe on Queens Parade. Their artisan bakery, patisserie and espresso bar makes it almost irresistible just to simply walk by their café without dropping in and buying a little something.

Clifton Hill’s Baker’s Delight feels like the hub of activity just after school drop off. You’re bound to bump into someone you know from school on any day of the week. You know that their bread is consistently good and there is always plenty of samples for little fingers to try out.

The staff is always friendly and attentive at Clockwork Café. Their food is consistently great and is excellent value for money. Clockwork Café is also open for dinner during the week.
No Logistics? No Fair!

We want to continue ensuring our fair's a success because our children can benefit from the rewards. As you all know, the only way we can achieve this is if the school community once again, works towards making the CHPS School Fair better than the last.

So far, we have had many parents volunteer to coordinate a stall and we thank each and every one of them.

We now have one critical position to fill -- the Logistics Coordinator. The fair can only go ahead with the appointment of an individual or individuals in this role. For more information, particularly on what is required as part of this role, please contact Melinda on: mobile 0414 278 479 or via email at wilsontwo@optusnet.com.au

New kid on the Block

We are delighted to announce Tutti i Sapori as our newest Fair sponsor!

Extending an already impressive offering of food stalls at this year’s Fair, Tutti will run an Italian food stall showcasing their dishes to the school community and donating proceeds to our school. Why don’t you pop into Tutti to dine on lasagna, gnocchi or parmigianna or take it away for dinner that night!

For kids, why don’t you treat them to home made biscotti and traditional gelato. Tutti are at 398 Queens Parade, North Fitzroy or check them out at www.tuttiisapori.com

Help us turn your Clothes into Cash

Winter is just around the corner and with the changing season, thoughts naturally turn to the need for a complete overhaul of your current wardrobe!

Why don’t you hang on to all the ‘good stuff’ you no longer need or the kids have outgrown for our Second Hand Stall? Amy and April will commence collections in Term 3.

Can you help us to spread the word?

We seek your assistance in increasing awareness of our Fair beyond the school community. New addresses are needed for billboards to advertise the Fair.

If you live near a main road or bike / walking path and are happy to have a real estate style board at your house for one month leading up to the Fair.

Please contact Cherry Ching.
cherry.ching@bigpond.com
or Ph: 0417 393 761

What are we saving for?

It’s official - the new Science Building is due to start construction later this year. This is an incredible initiative, as every single child in the school will benefit from this latest addition to CHPS. Like all other major school projects this has only been made possible from the hard work, dedication and generosity the school community provides to ensure our school's fair is a success.

As the name suggests I am running self defence classes for women and girls aged 15 and older (absolutely no maximum age). There’s no minimum fitness level required, just a desire to learn how to protect yourself and those close to you in a practical, straightforward way. There’s also no boot camp Nazi style approach! It can actually be quite enjoyable learning how to defend yourself, so if you want some shaven headed numb-nut spitting saliva while he screeches at you then my classes may not be for you ... although I am going a bit thin up on top ...

Email Howard Kimber - howard@fightbackselfdefence.com.au, call 0408 314 328 or just grab me (gently) in the schoolyard.
