

Student safe and responsible digital technology use agreement

When I use digital technology I agree to:

- be a safe and responsible user whenever and wherever I use it
- support others by being respectful in how I communicate with them and never write or participate in online bullying
- talk to a teacher if I feel uncomfortable or unsafe online or see others participating in unsafe, inappropriate or hurtful online behaviour
- seek to understand the terms and conditions of websites and online communities and be aware that anything I upload or post is my digital footprint
- protect my privacy rights and those of other students by not giving out personal details including full names, telephone numbers, addresses, birthdays and images
- use the internet for educational purposes only and use the equipment responsibly
- use social networking sites for educational purposes and only as directed by teachers
- ask permission from the website creator to use images, text, audio and video
- reference sites if I use information that has been posted on the internet by others
- think critically about other users' intellectual property and how I use content posted on the internet, not simply copy and paste information from websites
- not interfere with network security, the data of another user or attempt to log into the network with a user name or password of another student
- not reveal my password to anyone except the system administrator or the teacher
- not deliberately enter or remain in any site that has obscene language or offensive content
- not use software from home in school without teacher permission and supervision eg games
- follow school guidelines and procedures when preparing materials for publication on the web.

This Acceptable Use Agreement also applies during school excursions, camps and extra-curricula activities. I acknowledge and agree to follow these rules. I understand that my access to the internet and mobile technology at school will be renegotiated if I do not act responsibly.

I have read with my parents the Acceptable Use Agreement carefully and understand the significance of the conditions and agree to abide by these conditions. I understand that any breach of these conditions will result in internet and mobile technology access privileges being suspended or revoked.
