

Clifton Hill Primary School 2021 Parent Payment Charges – Grade 2

Dear Parents and Carers

Clifton Hill Primary School is looking forward to another great year of teaching and learning and would like to advise you of our parent payment arrangements for 2021.

Please find the fee schedule for Grade 2 2021 attached. Please complete this form and return to the school with your payment. **We would appreciate payment by 9th December 2020 however payment is not required until 29th January 2021 (Term 1, 2021). If you choose to purchase your child's stationery pack yourself, please inform the school by Friday 4th December 2020.**

Please discuss with the school your desire to purchase essential education items yourself. All essential education items must be provided to the school on the first day of school.

Clifton Hill Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Please find details of essential education items (those items that your child needs for school) and voluntary extras (that you can choose whether your child participates in or accesses). The school orders high quality items, in bulk, prior to the end of each school year for the following year. We believe the benefits of the school purchasing essential education items for each student include; ability to buy the best quality items at the cheapest price, provide replacement items as required, ensure all students have the same items and time saving for parents.

2020 and 2021 Annual Excursion Payment

As part of the school fee payments, many families choose to pay an upfront annual excursion payment for all excursions throughout the school year. Due to the COVID-19 restrictions, very few of the planned excursions/incursions for the 2020 year have taken place, and this has resulted in the school now holding a balance of unused excursion payments.

Given the unusual circumstances, the School Council has proposed that for those students where the 2020 annual excursion payment had been paid, any unused balance will be carried over and used for excursions throughout 2021. Please note that if these funds are exhausted prior to the end of the year, any additional excursions will need to be paid for as and when they occur.

For families who have paid the annual excursion payment and are leaving CHPS at the end of 2020, any remaining balances of the excursion payment will be refunded. Please contact the school if your child is leaving at the end of 2020 to organise the refund.

<p>This contribution allows the school to employ personnel or buy materials to maintain the school grounds to a high standard. For example; purchasing tan bark in playground areas, repairing shade sails, replacing sand, painting poles, purchasing plants etc.</p> <p>Whilst this contribution is optional, if you choose NOT to pay this amount you will be asked to attend one working bee or help out at the canteen (on 4 occasions) or launder the sick bay sheets (on 4 occasions) throughout the year.</p>			
<p>* This contribution is tax deductible. Clifton Hill Primary School has a strong history of families contributing to our two tax-deductible funds; Building and Library. These contributions have enabled us to provide a high level of student learning and teaching opportunities. Recent examples of how these funds have helped Clifton Hill Primary School become the school it is today are: building of glass wall in library to provide additional teaching space, replacement of classroom air conditioners and upgrade of MPR audio system. To continue to provide students with such facilities/resources, we suggest that all families, who are in a position to do so, donate \$300 to either of these funds. In the past family donations have ranged up to \$10000.</p> <p>** This fund is to provide essential education items or optional extras for families at our school unable to purchase these items due to demonstrated financial hardship. Your contribution helps to ensure that all our students have the option of attending school camps and excursions and have the items they need for school.</p> <p>*** In the interest of student health and well-being the School employs a Registered Nurse who is based in the sick bay from 10am to 3:30pm, Monday to Friday. Whilst this contribution is voluntary, the payment of the Nurse Contribution by parents and carers enables the school to employ a registered nurse. The presence of a school nurse at a primary school is not mandatory but the benefits are available for all students.</p>

Your child will not be disadvantaged if you do not make a voluntary contribution. All records of voluntary contributions are kept confidential as well as your decision about whether to make a contribution or not.
